

MANITOWOC COUNTY'S COMMUNITY ORGANIZATIONS ACTIVE IN DISASTER (COAD)

The purpose of the COAD is to bring together organizations before, during and after a crisis to best prepare, respond to and recover the Manitowoc County community should a disaster strike. Participants consist of nonprofits, faith-based organizations, businesses, schools and other community organizations who can play an active role in times of crisis. In partnership with Manitowoc County Emergency Services, United Way Manitowoc County coordinates the COAD's efforts including disaster response education as well as timely dissemination of critical information and resources. To learn more or to participate, contact United Way Manitowoc County by calling 920.682.8888 or emailing info@unitedwaymanitowoccounty.org.
