VISION: UNITED WAY ENVISIONS A WORLD WHERE ALL INDIVIDUALS AND FAMILIES ACHIEVE THEIR HUMAN POTENTIAL.

MISSION: TO IMPROVE LIVES BY MOBILIZING THE CARING POWER OF OTHERS THROUGHOUT MANITOWOC COUNTY

Our community's greatest resource is our people. Many factors influence well-being so United Way looks at where people live, learn, play and work to best understand where barriers to a good quality of live show up.

Building well-being is a team project involving families and community members as equal partners. Collaborating with businesses, donors, schools, volunteers, nonprofits and other groups is central to our strategy. United Way is how the community comes together to tackle Manitowoc County's toughest issues.

United Way devotes resources, time and energy year round to meet basic needs, support early childhood and create pathways for youth development, helping our community thrive now and in the future.

This is the power of **LIVING UNITED**. Join us by making a gift to our annual United Way Community Campaign. Each contribution, no matter the size, goes towards achieving community well-being and improves lives.
